Subject: geocoded file

Ernest:

In our phone conversation yesterday I said that I was fairly confident that we had given Ely the file of the geocoded voters. When you said that you thought that might have happened, I said that I would check on it. I did check, and I cannot find a record that Ely got a copy when Sherry was providing copies of her files.

Accordingly, I have put a copy on our sharefile site. You or David can go to that site and download it to your system. The link is <https://bickerstaff.sharefile.com/d-sebba477b24e43279>

Please let me know if you have any questions or if there is other information you need.
